*Trial Attorney Rachel King has been Certified as a Specialist in Estate Planning, Trust, and Probate Law by the State Bar of California*

*MURRIETA, April 15, 2024* – King Law Firm Attorneys at Law, Inc. is proud to announce that trial attorney Rachel King has been certified by the State Bar of California as a specialist in Estate Planning, Trust, and Probate Law.

The State Bar of California program for certifying specialists is a California Court approved method of certifying attorneys as specialists. To become certified, attorneys must successfully pass a written examination, complete a series of specific tasks in the specialty area, and attend a prescribed number of approved education programs and peer review.

Rachel King has been a member of the California State Bar and a practicing attorney in the field of Estate Planning, Trust, and Probate for ten years. Becoming board certified as a specialist demonstrates her mastery of advanced knowledge in this specialized field and sets her apart as a distinct authority. Of all the attorneys that currently practice in the field of estate planning, trust, and probate law, only 1% are certified with the State Bar of California.

Specialists in eleven areas of law are certified by the State Bar of California: Admiralty & Maritime Law; Appellate Law; Bankruptcy Law; Criminal Law; Estate Planning, Trust & Probate Law; Family Law; Franchise and Distribution Law; Immigration & Nationality Law; Legal Malpractice Law; Taxation Law; and Worker's Compensation Law.

Along with Estate Planning, Trust, and Probate Law, Rachel King is a licensed trial attorney in all areas of family law and real estate law matters.
